

Give the gift of learning

with the Covid-19 Hardship Community Fund

Donate today, and make a difference that lasts a lifetime...

At Nant-y-Cwm Steiner School we are committed to supporting parents on low incomes. We believe that Steiner education should be accessible to all. However, as an independent school we do not receive any government funding. We are sustained by the fees that families pay, our fundraising efforts and donations.

Some families are unable to pay any fees at the moment due to their loss of all income due to the Covid-19 lockdown. They will be forced to withdraw their children from the School unless the School can raise funds specifically to help families in that situation. From just £5 a month you can help such families, who could not otherwise afford it, to continue to give their child the gift of Steiner Education.

Your donation, whether large or small, will enable us to offer more children access to this unique education that nurtures head, heart and hands. We are a registered charity and all funds raised go towards providing this education.
