

## **School Parent Agreement**

### **Aim**

To ensure we are all clear on our aims, and on what we as a school believe is important in this relationship, we have a School Parent Agreement.

The relationship between home and school is crucial to the success of the child's education here at Nant-y-Cwm School.

### **Procedure**

This document is presented and explained to parents in the initial child-parent interview and the document signed at the administrative interview. To admit a child into the school this agreement must be in place.
