

Wi-Fi and Mobile Phone Policy

Statement

At Nant-y-Cwm Steiner School we are committed to maintaining a safe working environment for everyone in keeping with our natural surroundings. In relation to this we endeavour to reduce the exposure of staff and children at school to wi-fi and mobile phones.

Policy

1. The wi-fi in the office will remain off at all times.
2. All staff will have the phone wi-fi connection switched off whilst they are on the premises and will keep their phones on aeroplane mode during the day.
3. Children are not permitted to bring mobile phones into school.

Note:

The school has a mobile phone that is used on school trips for emergencies. In this case the phone will be switched on. Kindergarten staff use walkie talkies that they take with them on walks and outings.
