

A SPRING BELL

A SPRING CRAFT FOR
CHILDREN OLD AND
YOUNG

RESOURCES

- A small terracotta pot,
- 3 large, coloured wooden beads,
- Crochet yarn,
- Gouache paint,
- PVA glue or transparent varnish.

INSTRUCTIONS

Paint the pot on the inside and outside and leave to dry.

When it is completely dry, varnish it inside and out.

Make a twisty about 40cm long with the crochet yarn and tie a large bead to one end of the twisted cord (this will be the bell-clapper).

On the other end, make a loop.

From within the pot, insert this loop through the hole at the bottom of the pot. Fasten the loop to the pot with one bead on either side of the hole.
